

VERITY

SCHOOLHOUSE

Welcome!

We are so glad you're here.

Psalm 37:3-4, 7

Trust in the Lord and do what is good; dwell in the land and enjoy safe pasture. Take delight in the Lord,
and he will give you your heart's desires. Commit your way to the Lord; trust in him and he will do this:

He will make your righteous reward shine like the dawn, your vindication like the noonday sun. Rest in the Lord and wait patiently for him.

4. They killed little children

AMERICAN ARMY WINS MAJOR BATTLE!

Our army has been steadily retreating from the British forces. Our army's commander in chief, George Washington, was at the breaking point. He knew that if he did not win a victory, our cause would be lost forever. On Christmas Eve, he dreamed up a daring plan. He would cross the icy Delaware river under cover of darkness and surprise the Hessians after their long night of partying. Washington gathered all of his men and put them into groups. Two of his best officers led two groups, and George Washington himself was in command of the other. Washington cried, "Victory or Death!" and climbed into the boat. When everything was ready, the two commanding officers thought that Washington would never dare to cross the icy depths of the Delaware. "Our guns will be ruined!" cried one officer. "We will never make it!" cried the other. So they both decided not to go along with the plan. But would Washington back down? Never. So he took his men to the other side of the Delaware on that cold Christmas Morning. When the men got to the other side, they

found their guns did not work because of the cold and wet. Did that stop them? Never. They used their bayonets and charged at the sleeping Hessians. The battle only lasted roughly 45 minutes, with a smashing victory for the Americans. Who knows what other victories the Americans might win for the cause of Justice?
